**Warning:** This system may only be accessed by authorized persons. Access to and use of this Honeywell computer system without the permissions of or other than as permitted by Honeywell is strictly prohibited by Honeywell rules and by applicable local and national laws. Honeywell data is subject to export restrictions. If there are questions, please contact a Honeywell export compliance officer. The use of this system is routinely monitored and recorded. If, as a result of this monitoring, possible evidence of criminal activity or other improper conduct is discovered (including without limitation, downloading, copying or sending classified information to competitors or other unauthorized recipients), system personnel may provide evidence of such monitoring to law enforcement officials or take other appropriate actions. This may lead to company initiated disciplinary proceeding, up to and including termination of employment.

### Select Profile or Associate Profile

Select a Profile: \*

The first time you log in you will need to Associate your eCATS Profile to your Honeywell ID.

Next

Associate Profile

Cancel

Any user with a Honeywell ID can get to this page. To continue you must have an eCATS Profile to go any further

New users please register [here](#)  
Click [here](#) to contact administrator

Internal users will still go through your eCATS Site Administrator for an account. If you do not know who your administrator is you can use the eCATS administrator to assist you.

External users will use the register here

# eCATS Profile Association

**Instructions:** Please put your legacy eCATS account and your legacy eCATS password.

Search

eCATS legacy Account:

eCATS Legacy Password

Enter your active eCATS Profile ID.  
Request a new eCATS Profile if you don't have one already.  
For Customers it is your eCATS C number  
For Suppliers it is your eCATS S number

Enter your eCATS Profile password.

After entering the eCATS Profile and the eCATS Profile password click the Associate Profile button.

The eCATS Profile is not the same as the Honeywell ID

If you forgot your eCATS profile password, you can request it to be reset to the default password.

If the system does not find a match for the eCATS Profile and the password you will get this message. If you have forgotten your existing eCATS Profile password, you can contact a Honeywell eCATS Administrator or the eCATS support link to request the eCATS Profile to be reset to the default password (same as eCATS Profile).
