

REQUESTING AN ECATS PROFILE

Honeywell

EXTERNAL ACCESS GUIDE - GUIDANCE FOR USE

What is the purpose?

- 1) To provide steps required to request an eCATS Profile in order to access ecats.honeywell.com
- 2) A Honeywell ID is required before an eCATS profile can be requested.
- 3) The Honeywell ID is not the same as the eCATS Profile. The Honeywell ID usually uses an email format or a combination of multiple letters and numbers but the eCATS profile will be in the Sxxxxxx, or Cxxxxxx format.
- 4) To request an eCATS profile follow the steps outlined in this presentation

Warning: This system may only be accessed by authorized persons. Access to and use of this Honeywell computer system without the permissions of or other than as permitted by Honeywell is strictly prohibited by Honeywell rules and by applicable local and national laws. Honeywell data is subject to export restrictions. If there are questions, please contact a Honeywell export compliance officer. The use of this system is routinely monitored and recorded. If, as a result of this monitoring, possible evidence of criminal activity or other improper conduct is discovered (including without limitation, downloading, copying or sending classified information to competitors or other unauthorized recipients), system personnel may provide evidence of such monitoring to law enforcement officials or take other appropriate actions. This may lead to company initiated disciplinary proceeding, up to and including termination of employment.

EXTERNAL REGISTRATION

The diagram illustrates the login process for eCATS. A grey callout box on the left contains the text: "Login to eCATS using your existing Honeywell ID and password". Two arrows point from this box to the "Employee ID/User Name" and "Password" input fields on the right. The login form itself is titled "Please Sign In" and includes the following elements:

- Employee ID/User Name
- Password
- ☒ Remember me
- [Manage my password or account](#)
- [Sign In](#)
